STAFF OF THE MONTH

Hi there! My name is Claire and I am a recent graduate of the University of Illinois with a degree in Human Development- Child & Adolescent Development. This summer, I am starting a Masters of Education program in Special Education. I love teaching, reading, and riding my bike. This is the second recreation association that I have worked for, and the fun never stops! I love CUSR and working with everyone; any day spent with CUSR is a day filled with joy!

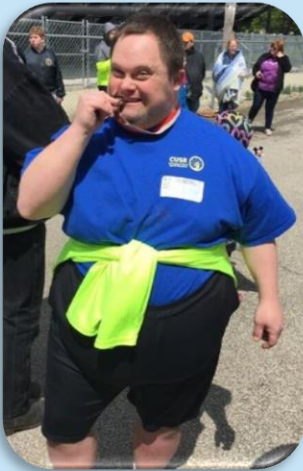

CUSR ATHLETES OF THE MONTH

Each week our athletes are nominated by their coaches for outstanding practice, support for their peers, and everything in between. Congratulations to the following athletes!

Alison Lee: May 1st-May 5th

This is Alison's second year swimming with the Mustangs. She brightens up every practice and meet with her contagious smile and can always be found working hard and cheering on her teammates. Great job, Alison!

Danny Roelfs: May 8th-12th

Over the years, Danny has competed in several Mustang sports, including Track & Field, Traditional & Unified Volleyball, Men's Basketball, Aquatics, & Bowling. Danny takes his sports very seriously and is a great team player. He can always be found working hard and cheering on his teammates. Keep up the great work, Danny!

Jamie Riggs: May 15th-May 19th

Jamie (Pictured on the right) has been with CUSR since 2015 and has competed in Mustang Track & Field, Bowling, & Softball. Jamie is always smiling and cheering on her teammates, which makes her a pleasure to coach and play with. Keep up the great work, Jamie!
