STAFF OF THE MONTH

MORGEN SWAN

I graduated from Parkland College and will be attending Millikin University next fall to finish my Bachelor's degree in Special Education. I currently am a full time Special Education aide at Washington Elementary School in Monticello. I started at CUSR last summer working camp and quickly decided I couldn't let the job go as summer camp came to an end! I enjoy working the adult programs and I am very passionate about helping others. I believe the only way to do great work is to love what you do.

CUSRO ATHLETES OF THE MONTH

Each week our athletes are nominated by their coaches for outstanding practice, support for their peers, and everything in between. Congratulations to the following athletes!

CAROL GREEN-FEB 27TH-MARCH 3RD

Carol has competed in Mustang Bowling for several years, but this is her first year competing with our Lady Mustang Basketball team. Carol has been a great addition to the team and we are very excited to watch her grow as an athlete! Great job, Carol!

AMY ERICKSON-MARCH 6TH-10TH

Amy competes in Lady Mustangs Basketball, Bowling, & Unified Volleyball. Amy brings tons of smiles and a positive attitude to every practice and game. Keep up the great work, Amy!

SOPHIA TOMASO-MARCH 13-17

Sophia competes in Mustang Bowling, Modified Volleyball, Track & Field, and Lady's Basketball! Her coaches appreciate her desire to learn each week at practice and all of the hard work she puts in day in and day out. Great work, Sophia!

PATRICK TESSENE-MARCH 20TH-MARCH 24TH

Patrick competes in Mustangs Basketball, Track & Field, Softball, Bowling, and Aquatics. Patrick always has a smile on his face and always works very hard at practices and competitions. Fittingly enough, Patrick received the Special Olympics Spirit of the Game award during the gold medal game of State Basketball this past weekend. Way to go, Patrick!
